

August 23, 2016

Welcome Back Everyone!

This year through the generosity of our JES PTO, parents, teachers, and students will have access to both BrainPOP and BrainPOP Jr. at school and at home. We urge you to utilize this excellent learning tool. There are videos that explain the topics followed by activities and games to reinforce the skill.

In classrooms, on mobile devices, and at home, BrainPOP engages students through animated movies, learning games, interactive quizzes, primary source activities, concept mapping, and more. Resources include [BrainPOP Jr. \(K-3\)](#), [BrainPOP](#), [BrainPOP Español](#), and, for English language learners, [BrainPOP ESL](#). They cover topics within Science, Math, Social Studies, English Language Arts, Technology, Engineering, Arts, Music, Health, Reading, and Writing using animated movies, leveled quizzes, and activities. Content is carefully mapped to the Common Core, aligned to academic standards, and searchable with the online [Standards Tool](#).

The following is the web address you will need: www.brainpop.com. When reaching this page, click login. The username is kristinhope and the password is muskies. If any questions should arise, please contact Ms. Taylor or Mrs. Miodrag at 724.932.3181 ext. 2126. We are excited to begin the 2016-2017 school year and look forward to a wonderful year.

Yours truly,

Title 1 Teachers and JES PTO
