Statement of Purpose

The Jamestown Elementary School offers students additional support through a school wide Title 1 Program. The Title 1 Program is a federally funded program which enables any student to receive support, within the regular classroom or in a small group setting, at various times throughout the school day. All students are eligible to receive this additional support when needed.

Annual Meeting

The Title 1 staff will convene an annual meeting during Open House on September 29th. During this meeting, we will describe our Title 1 program and requirements, explain our PA Core Curriculum, and discuss the academic assessments used to monitor students' progress and identify areas of academic needs.

School-Parent Compact

Please take the time to read our parent-friendly compact. Inside you will find the shared responsibilities of teachers, parents, and students to ensure the success of our young learners. With your child, please complete and return the accompanying signature slip.

In an effort to meet parent needs, we welcome suggestions for parent workshops when you complete our yearly survey.
