

Annual Performance Assessment of the Superintendent

According to Section 1073.1 of the Pennsylvania School Code, superintendents must be evaluated via an annual performance review using objective performance standards. This evaluation must be posted on the district's website, and the Board of school directors will post the date of the assessment and whether or not the district superintendent has met the performance standards.

On May 21, 2018, the Jamestown Area School Board completed the Annual Performance Assessment of Superintendent Tracy Reiser. Mrs. Reiser has satisfactorily met all of the agreed-upon objective performance standards for the 2017-2018 school year.
